“ I remember when you all were small and came to my house in Saginaw and was jumping on an old box spring mattress like it was your make shift trampoline and having so much fun playing outside. You always had the biggest smile and could make others laugh when you were near by. So many memories I will treasure as your Aunt and know one day I will see you again. Please give Uncle Chris some ribbing about his Kansas City Chiefs and Royals when you see him up there. Of course he is a Coke drinking fool too so yal drink a cold one and tell him I'm bringing some Dr.Pepper!
