Johnny was best known for his sense of humor and being notorious for pulling pranks. He was always looking to lighten the mood with a joke. He would do

anything to make people laugh and smile. I can't think of a single person who dodged that bullet. He loved games like spades and dominos. He always said his best memories were made at the lake. His favorite place to be in the summer was on the boat at the lake throwing everyone off the tube and seeing how high he could make himself fly on the tube. He was a committed Dallas Cowboy fan and swore every year they'd make it to the Super Bowl. In later years he enjoyed attending the races with his sister and loved taking his granddaughter to race to the slide and and play at the park.

Our hearts are sad that he is no longer with us but we are comforted in knowing he is walking on his own two feet, pain free, along side Jesus.

We shared a lot of great times and made a lot of great memories with our kiddos Rest assured Blakely will always hear stories about her crazy Pops and how much he loved her and her momma and Boo.*
