“ I can't believe you're gone it's so unreal it didn't fully hit me until yesterday. It hasn't been easy for me never did I imagine in 1000 years that I'd be saying goodbye to you so soon especially in this way.

*I never told you but you were my favorite even though you'd pick on me and always tell me you were going to tell my dad on me for drinking lol.*

*I'll always remember your contagious smile your dimples and the way you could make me laugh until I cried. I love you cousin until we meet again. Say hi to my grandma for me. ♡*

“ Juan was a great friend and coworker for the past few years. His laughter and smile lit up the room. Words cannot express this loss but the memories will live on! Gone, but never forgotten. RIP Juan.
