WT

“ *My sweet, funny, and at times crazy cousin, I will miss you always. Growing up we got to see each other at Grandma & Grandpa Brannon usually during the summer and always had fun. I considered Judy one of my very close friends and of course a close loving cousin. Our loss is Heaven's gain. Until we meet again, you will always be a part of me and my heart will never forget the precious person you were.*

“ *Judy was one of my aunts but more like a big sister to me. As a child I remember her sneaking me into the movies that my mom wouldn't let me see. She would let me stay up late and sleep on her lap in church. She would let me ride in the back of the Astro van as she drove over speed bumps and it would feel like a mini roller coaster ride. We had many adventures in Girl Scouts ranging from our wild meetings to selling cookies in front of the grocery store. I remember talking about Elvis and watching lifetime and syfy together. Judy loved a good laugh and I wish I had more time to make her laugh. I'm thankful for the time we shared and how many memories I have of her to cherish. I love you Aunt Judy so much and I miss you.*
