“ *One time she ask our Mom if she could back up all the way to Jack N The Box because she couldn't get the car out of reverse! It was a 63 Val something I can't spell it! It was a 3 speed on the wheel. Then one time she ask Mom how long 46 weeks where and while Moms trying to do the math she said why? And Sis said she wanted to order an album collection off the TV and it said it would take 46 weeks to get here, Mother said Karen Marie it said 4 to 6 weeks! We never let her forget that and still laugh about it!* ”
