“ Kathy Jo was my best friend. You could never find a better one. She will be miss by many.

Our many phone calls, she was always there for many of us. She was so kind, caring, funny and creative. We were both rocks for each other in many ways. Rest in Peace....see you in Belize my friend.

*Kathy, you brought a light and a spark to our church like no other, along with so many smiles. I loved singing with you, and directing you in the Handbell Choir. Our family will count you among the most unique and wonderful angels we encountered during our years there. Thank you for sharing yourself and your gifts and your love so richly with us all. We love you and will miss you terribly.
