

Keith (Casey) Barnes

February 9, 1963 - April 27, 2024

Keith (Casey) Barnes passed away on Saturday, April 27, 2024.

He was born in Butler, Missouri and raised in Grand Prairie, Texas by his parents Royce and Lavon Wilson. Although he was legally blind and fully color blind, it never limited him from achieving his goals and he never allowed it to hold him back. He was a good student and excelled in soccer making the All-Star team. He had the opportunity to play professionally in Florida on an indoor soccer team. However, he declined the position as he was working at Graff Chevrolet and doing well financially, allowing him to purchase his first home straight out of high school at the age of 18.

He married and together they had 4 children. He loved being involved with all his children's activities from soccer fields, football fields, cheerleading competitions, drama performance and art shows. He took great pride in being a volunteer coach for both soccer and football and became a proud lifelong Viking! He enjoyed the outdoors, whether it be boating, camping, riding motorcycles, 4 wheelers or just the comradery of coming together with family and friends. Of course, we can't leave out how much he enjoyed impressing everyone with his mastery of smoking and BBQing.

He earned many Customer Service Awards and Outstanding Service Advisor awards during his tenure with Frank Parra Chevrolet and 25+ years at Classic

Chevrolet.

Casey was the father of Daniel, William, Leslie, and Zachary Barnes. He was the brother of Thales Barnes and wife Laurie; Belinda Carrera and husband Yrenio; Kurt Wilson and wife Gina; Cheryl Isaac and husband Chris and has multiple nieces and nephews.

He was preceded in death by his parents William Royce Wilson and Tressie Lavon Wilson, nephew Thales "T.G." Gordon Barnes II, grandparents, and his favorite pets Tickie Little and Buttermilk.

Celebration of Life will be held on May 18th at 12:00 pm CT at Guerrero-Dean Funeral Home,

“ *To know Casey was to know that he could drive you bonkers one minute and you could love him the next. Casey and I were an unusual pair but we understood each other, I think I met Casey when life for him had just begun to change and be difficult and I was still learning to be alone myself it was comfortable and crazy all the same. I'll always treasure our relationship and our shared love of long drives and unending conversations. Casey I'm so sorry I couldn't be there to help you battle your demons, I hope you'll rest now and find the peace you've been searching for. You were a good man with a big heart and a whole lot of pain. You will be missed. ❤️*
