

Kenneth Hajek

October 8, 1961 - October 22, 2024

It is with heavy hearts yet with a spirit of celebration that we announce the passing of Kenneth "Kenny" Hajek, who departed this world on October 15, 2024, at the age of 63. Kenneth was born with physical challenges, yet he embodied an indomitable spirit and an unwavering determination to lead a life filled with independence and accomplishment. A proud high school graduate, he continually inspired those around him with his resilience.

Kenneth faced numerous hurdles, particularly following the impacts of the COVID-19 pandemic, which left him bedfast and wheelchair-bound for a time. Yet, through sheer willpower and determination, he triumphed over his limitations, learning to walk again without his walker - a testament to his strength and unwavering spirit.

He found joy in the simple pleasures of life, particularly in his serene outdoor oasis, where he delighted in feeding the feral cats and birds that frequented his garden. Kenneth had a profound love for music; he was often seen playing his small keyboard and strumming his little guitar, filling the air with melodies that reflected his joyful spirit. Recently, he found happiness in attending the State Fair, where laughter and joy were abundant.

Kenneth is survived by his adopted family from Calab Inc, who embraced him for the last eight years of his life. Their love and support were foundational to

Kenneth's journey and happiness.

In celebration of Kenny's life, a Graveside Service will be conducted at 10:30 a.m. on Tuesday, December 10, 2024 at Mountain Creek Cemetery in Grand Prairie. Friends, acquaintances, and all who were touched by Kenneth's spirit are warmly invited to join in honoring a life lived with courage, music, and love.

Kenneth Hajek's legacy of strength, love, and determination will forever remain in our hearts. May he rest in peace, celebrated for the vibrant soul he was.
