

Kylar Aedan Creason

February 20, 2005 - March 13, 2026

Kylar Creason, age 21, passed away on March 13, 2026. Born on February 20, 2005, Kylar lived his life full of energy, curiosity, and a heart that made a lasting impression on everyone who knew him.

Friends are invited to a Visitation where friends are welcome to share memories and comforting time with Kylar from 11 am to 1 pm Saturday, March 2024 at Guerrero-Dean Funeral Home, 500 E Main Street, Grand Prairie, TX, 75050.

Kylar was an avid car enthusiast and a true gearhead. He loved motorcycles, fast cars, and found his passion inside anything with an engine, speed, and horsepower. Those who love bikes... ride and the thrill of the ride fascinated Kylar. When he wasn't around engines and machines, Kylar loved playing video games, and would find some of his best bonding moments playing alongside his brothers. His competitive nature would show through more often than not by beating most who challenged him.

Despite Kylar's love for adrenaline and adventure, those closest to Kylar knew him as a true teddy bear with a massive heart. He was loyal, compassionate, and the kind of person who would show up to help someone without hesitation. Kylar knew how to make people laugh and it was natural to feel comfortable around him the moment you first met.

Some of Kylar's closest friends always remember one phrase that perfectly captured his spirit. With a grin and that thrill of the challenge, Kylar would often say, "My dad's gonna kill me... but let's do it." It was a line that reflected his playful personality, his willingness to chase the moment, and the humor he carried through life.

Kylar is survived by his mother, Ashlie Swindell, and his father, Matt Creason. He is also survived by his brothers, Mattix Creason and Karson Creason, and his sisters, Blakeleigh Swindell and Kenlee Creason. He leaves behind grandparents Mark and Terry Swindell and Janice Shive, along with many extended family members and friends who loved him and will miss him so very much.

Though our family has lost a son, brother, and grandson far too soon, Kylar's impact on our lives will endure for a lifetime. The laughter he brought us, the loyalty he showed, and the love he gave so freely will continue to live on in the hearts of those who knew him. We will find his spirit with us in the roar of an engine, in the thrill of the open road, and for some of us the pleasure of the sting of every paintball.

We will carry Kylar with us always, in every memory that reminds us just how deeply he was loved and the love he gave will never leave the lives he touched
