“ *Laila's Finnish relatives send prayers to Laila's family. Children, grand children and great grand children of Laila's aunts from her mom Elsa's side want to respect her memory. We have seen how strong bonds your family have and we share similar too.*

From the time we were small children we always heard stories of auntie Elsa who moved from Finland to America. She was always greatly missed and it was celebration time when we received post package from U.S from Elsa with beautiful gifts to her family back in Finland.

Laila and Lillian, the twins were often mentioned by their cousins. And we knew they both had big families. We gathered always in summer and for Christmas in Karijoki, Elsa's home in Finland and our American family members were often talked about. We have always hoped you all to be happy and healthy.

We wish you to have possibility to be sad now, because Laila was so dearly loved, and then remember and cherish all the good and warm memories you have together. God bless.

*Our deepest sympathies,
Laila's Finnish cousins and their children, grandchildren and great grandchildren*
