LaTonia had a supportive role in everyone's life; from a mother, sister, mentor, friend, or confidant. As she was known for her peerless, powerful, legendary statement "I LOVE YOU, BABY!"

When tomorrow starts without me, and I'm not here to see it, if the sun should rise and find your eyes filled with tears for me. I wish so much you wouldn't cry the way you did today. While thinking of many things we didn't get to say, I know how much you love me as much as I love you and each time you think you of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right here in your heart.

Signed with love, LPH

“ A Sister's Love

Someone who loves you from the heart...

No matter how much we argued, we could never be drawn apart.

How is it that you have your wings.

I never thought I would see this day come where we would have to say "Good-Bye" but memories I hold inside... I was your protector, never would let anyone harm you but as we grew you became My Little Big Sister. Your strength, Words of Wisdom and Love was all we needed to keep the family together.

Time, Trust and Talk is all we had because Life was too short even the distance couldn't keep us apart!!!

Memories last for miles as well as Eternity.

You helped many through difficult times, gave words of encouragement and comfort.

Very committed and loyal to her family. You filled the world with love, joy and happiness.

Your smile and inner beauty caused any room to shift as she entered, I will miss that.

Even if there was a grudge you would fill it with sweet Chocolate to melt and smooth the pain away... With your Smile...

Tonia you are our Angel!!!

God has given you your assignment,

As well as the cross over for the take over as you walk through,

"The Pearly Gates of Heaven" missing you as you take your rest but

God knows Best!

So you know you can turn up for the Lord!

As we grew up, we were always the life of the party, as we dance together never would I have thought it would be our last dance.

Now Turn up & Shut it Down, Till we meet again!!!

Love You Baby Girl

Your Big Sis. Sherrice (Sherri)

P.S. SNT we all we got!!!

Although I was not acknowledged in the obituary I am her sister, Diane Collier. We may not have been the closest over the years but I loved my sister. I can't redo what's been done but I can rest knowing that GOD has her in his kingdom.
