“ I'm still in disbelief that you are gone. You were my best friend, my confidant, my shoulder to lean on. We have been through a lot together. God knew at age 14 that I needed a sister and he gave me you. You had a hard life and I know things were hard for the last 4 years and you still put on your happy face and tried to live life to the fullest. I love you sister. I know you are dancing and smiling with the Angels. RIP until we meet again.
