“ *Lillie Box is my grandmother, my rock and my legacy. I will miss doing her nails. She would call me and tell me...Rhonda you need to get over here and do my nails. If I did not get to her within a few days, she would show up at my house waving her nails at me saying "well you couldn't come to me, so I came to you" I lived over an hour away. I love you so much grandma. Please rest now.*

“ When I was a little girl of 6 or 7 I used to think I was adopted because I was the only blonde blue eye'd child in my family .Then one day we go out to my Mawma and Papaw's house and this woman was sitting with other family on the front porch ,she was blonde and so pretty.I asked who is she ,one of my parents said ,why that's your Aunt Lilly (I don't know where she had lived before,and she was the only blonde in all the Pinkston clan) .I remember thinking in my little head ,I really am a Pinkston .My Aunt Lilly grabbed me and said ,there's my Peggy Lou , she whispered in my ear ,you always remember we are special .I sure loved my Aunt Lilly .
