I'm so sorry. I worked with Lilly for a few years and she and I went to lunch together fairly often. She and I have kept in touch via text about once a year. The last several were brag fest about our grandkids.

“ *I am so sad to hear of this. Lily was def a loving and caring soul. Always saw the good in everyone. She welcomed me and my son Christopher into not only her home but her family when I was married to her nephew Rudy. I will forever cherish the memories I have with her and meemaw. I still have pictures when we first met on Christmas 2006. We love you all very much.*
