“ My deepest condolences to our Uncle Benny, Tia Esther, Uncle Angel (face) and other family and friends who mourn Tia Lucy's passing. I am very grateful to Tia Lucy and wish I could have spent more time with her. I thank her (and Tio Benny) for being (1) a good source of inspiration (I can only imagine the drive and "guerrera spirit" she had to have attended UTEP in the 1950s); (2) for being so generous with energy and time; (3) for packing us into their small car and taking us places we would not have otherwise visited; and above all, (4) for loving us and fondly welcoming us into their homes (on Tejas, Montana, and McKinley) at critical times in our lives. I will never forget the day she explained to me what was a Ph.D.---golly, did I feel enlightened and encouraged! As life has it, I go by the 3100 block of Montana block often and each time warmly remember Tia Lucy (and Tio Benny) who made it possible for me (and my siblings) to have prime viewing spots as the parade passed by. Thank you, Tia, for all this and more. Perhaps we can catch up on things in the beyond. May you be in God's glory.
