“ My husband and I were neighbors of Mr. Mendoza. Although we didn't know him as well as others, he was always friendly. He would be outside with a small child just enjoying that moment. Mr. Mendoza was so nice to my grand children when he saw them playing outside. He liked talking to my husband. They just talked about everything like kids, politics, religion, cars. It was always just good conversation. It was a shock to hear he passed. We are sorry for your loss and pray for the family.
