“ To my lovely a ma, thank you for being the best grandma to me and always spoiling me and making me feel special. A ma thank for having my papa so he could have me. Because of him I have you as my abuela. I am going to miss you and I am sad you won't be there as I grow up. You are now my guardian angel. A ma this pain hurts but I know that your in a better place and seeing you at the hospital let's me know that your no longer in pain. We prayed hard for you to make it but god had other plans... thank you for cooking for us, and thank you for loving us and always wanting to spend time with us. You are not replaceable and I'm grateful for the 13 years I had you in my life. I wish it was longer but I know it was your time and we will meet again in heaven one day. You are one of kind and the best grandma anyone could of asked for! Thank you for loving us. — your grandson Anthony Guzman

“ Maria, We can't believe you are getting gone. Our hearts are 😞 broken. I want to thank you for loving me as your daughter. I was honored that you asked me to stay with you. We were able to bond just me and you. I am forever great full I did. Thank you for letting me care for as my own mother. We are going to miss you and your visits. You always made me laugh, I see where Jaime got it from. Thank you for your son I will always have a part of you through him and now my kids. Thank you for teaching us so much over 15 years of my life. Thank you for teaching me your recipes and the fun we had cooking together. I learned so much from you. You are so beautiful and I am going to miss you! this hurts and we are not sure how to live life without you. Our lives feels so empty. Life is now changed for us. Thank you for being a great mom to your 1st born son (Jaime). You thought me to be the mother I am today to your grandkids because of you and seeing the love you give to your own children Thank you for that. Thank you for loving me and excepting me as your daughter in law. This type of pain will never go away. I know you are in heaven and till we meet again rest peacefully next to Jesus. I bet it's beautiful there. Thank you for having that special thing with me about 🌺 flowers. I will take care of your son and your grandkids. I love you Maria T. Watch over us our beautiful angel as Jaime now calls you. I love and will always miss you. Bye for now but not forever we will meet again in the arms of Jesus. 🥺💕

“ Oh mom how I miss you dearly, you put up a fight to try to stay here for us but in reality you won because you are not suffering no more in this world as much as we are. I know you made it to heaven living the eternal life with the rest of our loved ones. You always spoke godly to us and always made sure to put God in every conversation we had. I remember when I was younger I always wanted to be with you and even cried and begged you to take me with you anywhere you went. I love how you always cooked for us even if it was the same food at times. I never got tired of your cooking. Life is not gonna be the same ever again. I'm left with the emptiness of a heart that once was filled with your pure love. Mom I hope you can give me signs that you are at peace. I talked to you when I was beside you on your hospital bed and asked you when you cross over for you to send me a white bird to let me know you made it with God and you are at peace. Please mom grant me that one wish so my heart can be whole again and I can be at peace as well. Until then I will continue to keep loving you and remembering the perfect person you were and all the good times we had all the conversations we had. Im gonna miss calling you everyday telling you when Im about to hit the road for work and when I'm coming back home from on the road and hearing you say “Mijo por favor cuídese en el camino, y que dios me lo bendiga y protégé” “ y maneje con cuidado” mom you don't know how much it hurts to know that I won't hear those words ever again. I can't wait to be with you again mom. I hope when I die and I cross over you will be waiting for me with open arms. YO TE AMO MUCHO MI MADRE HERMOSA NUNCA ME VOY A OLVIDAR DE TI Y SIEMPRE TE VOY TENER EN MIS PENSAMIENTOS GRACIAS POR SIENDO MI MADRE Y GRACIAS POR NUNCA ABANDONÁNDOLOS. DESCANSA EN PAS MADRE. I LOVE YOU MOM

“ Where do I start? My heart is broken. I miss you so much mom! You are indispensable and unforgettable. Your laugh was so contagious which I can still hear in my mind. Your smile as bright as the sun. I will miss our talks and our late-night getaways we had together (shhhh only our secret) 😊. Wish I could have taken more time out of our busy day to day life and made more family time with you. But I know in my heart you knew I loved you with everything I had. We had a special bond, a bond no one will ever fill. You were my everything growing up and I thank you for loving me thru my ups and downs, never judging me. Losing you at such an early age leaves a scar in my soul. Thank you for being a wonderful grandmother to our children, Julius, Eli, Katalena and Cassius. They love you! You are their Walita! Lorie and I love you! We thank you for all the memories we created together and thank you for teaching my wife to cook some of your delicious meals. Never will I forget the days you would come over and play your favorite music while you cooked your delicious foods. Those are wonderful memories that we will never forget! Until we meet again, I know you will be there to greet me in heaven when my time comes. What a legacy you have left! The love you shared with all of us will not be easily forgotten. Love you always mom!
