“ *Mary was my friend for a number of years, she was always walked in a good way, a gentle soul and her smile would light up anyones heart. I am shocked, as I have just found this out. i am not sure how she left this world, but I know that the spirit in which she lived had her by the hand and I pray that she left as gently as she lived. We prayed together for a lot of years, we have seen each other strengths and weaknesses, held each other up and laughed and cried together. I loved her as I will always. I pray for comfort for her loved ones, as I know there are many. Sweet dreams my friend, I will see you I know, as I know you have joined those who watch over us now...much love, Robin Esley-prayer buddy.*

Mary and I were coworkers. She had the most contagious laugh. I would always say to her "Mary stop it; I feel silly laughing for no reason"! Then we would both laugh again. Lol! She was so funny! She will be missed.

“ *Mary was such a loving generous soul. She always prayed for those around her in need or who were sickly. She was always thinking of others. I will always cherish her thoughtful actions, friendship, and sisterhood in Christ. I loved her smile, laugh, and her spirit. Words cannot express the love and joy she extended to those around her and the way she touched my life will never be forgotten. I pray for her husband and family that Our Lord and Savior bless you with comfort, healing and strength.*
