By far you are the strongest woman I know. You are my ❤️ And I don't know how I will make my days with out hearing your voice daily. All of the weekends and time we have spent together and with all of our talks....are a forever memory of mine. You have made such an impact on all of our lives. You are truly one of a kind. Everything I have done for you I would do for you a million times again. I will forever have the peace and comfort knowing I was able to comfort you and be with you through everything.
