“ *Mary was my sister's and my best friend as we were growing up on Huddleston Street in Grand Prairie, Texas. We spent lots of time playing together and spending time with each other at her house and our house. (Loved Mary's mother for putting up with me and my precious sister). Remember walking to Houston Elementary school every day and just remember so many fun times with Mary. A great friend and a beautiful cheerful person. I will never forget Mary.*

Mary was a dear sweet friend since we were in junior high. She was funny, always smiling! She will be missed by all who knew her.

Mary Lee and I were cousins and good friends. Growing up, we would see each other on holidays at our grandparents' place. She and Edwin (another cousin) visited me a few years ago. She will be missed.

“ *Mary was my dear friend. We worked together for lots of years and shared so many moments of laughing hysterically. I will always remember her little cackle. She was so funny. My office was by the Coke machine and she loved those Diet Cokes! She'd would say, Jo you got any change? I said Mary you my po'est best'est friend! She thought that was hilarious and from then on signed her cards to me Love you! Your Po'est Best'est friend.
Until me meet again my friend. I love you.*
