“ *Mary will be missed dearly, not a day will go by that we won't think about her. We all were very close to her and Bill, they both have been there for me when I was having my kidney surgery. They watched over my kids and loved them like their own till I was better. I hope she is no longer in pain. I also hope she knows how much she truly was appreciated. She was loved more than she knew and will always hold a special place in our hearts. Love Dawn Jaydin & Alexis*
