Michael Shane Campbell, 36, wonderful son, brother, friend and uncle, passed away on August 16, 2016.

" He loved Maya and I fiercely. He loved his pets Sam and Lucy almost as much as he loved us and they are grieving and looking for him everyday. Shane was intelligent, caring, supportive, funny, loving, protective, quiet, strong and absolutely my best friend. He is missed and although he is not physically here with me, I know without a doubt that he was the best part of me and will travel through the rest of my life with me as part of my heart and soul. May God grant him peace and a quiet place to throw off his worries in heaven." - Mom

Shane is survived by; mother: Darlene Campbell; brother: James Campbell; niece: Maya.

He is preceded in death by sister: Mandi Mae Carpenter
