“ *Miguel was a long time team member at Metro Coffee. He was a hard working, loyal co-worker and was an asset to Metro Coffee. He was kind, funny, and always willing to help.*

What I remember most about Miguel is that no matter how hot it was, how cold it was, or what he was working on, he would whistle while he worked. We painted many walls together, and he was a joy to work with! We have greatly missed Miguel.

He will always be remembered fondly at Metro Coffee.
