“ Molly was my sister-in-law for 50 years - even after no longer being married to my brother-in-law. I mean - hey just because they couldn't get along - no sense in Molly and I parting ways. I could always count on her for side looks at family functions- no words was necessary - we were on the same page. Molly could always be counted on for either deep conversation or ridiculous commentary on any subject that came up. She loved her kids and grandson with a deep passion like no other. It is an understatement to say she will be missed. I hope she felt the love and respect over the years. Fly high Molly and enjoy those deep breaths and beautiful surroundings you can now claim. ❤️❤️

“ *Molly was my best friend and the only woman I ever trusted. I have many wonderful memories but I would probably have to change some names and dates to protect the innocent!! I started to texted her something today and could almost hear say “Now Deb...”. I’m happy and blessed that I can still hear her voice. To her family: I’m glad God let me feel like family to her. -Debra Upchurch*

“ *Molly was a very highly valued, trusted and respected friend for many years...I had classes in grade school with her brother Jimmy....I had a crush on her since the 5th grade...Molly was honest and could be outspoken which were a few of her attributes that I loved the most about her...I guess by now she has met my late wife Karolyn who was the love of my life....I'm really gonna miss them both till we meet again....*
