“ Today makes one month that you were called home and I still can't seem to wrap my mind around it. How are you no longer here? It seems so unreal.. I know you're having a great time up in heaven with our loved ones and all the other Angels.. I miss you. I'll forever love you. More than you'll ever know. ❤️

“ *Monica has one of the sweetest hearts I’ve ever known. She always put others before herself and she lit up the room every time she walked in. I’m so grateful that we have been best friends for the last year and I will never forget her smile or unhear her laugh. I love you so much and I miss you every day. Rest In Peace Monica Flores <3*
