“ I wouldn't even know where to begin with memories. Nicole, was my best friend. We were just kids at Lee Junior High when we met. We got to grow up together and experience a life filled with love, laughter, so many good times (and some bad times), chaos and craziness but always back to love and happiness. There was a time when we were inseparable and while we have not spent a lot of time together recently, I am grateful we had those few days recently. I love you more than I can ever express and there are no words for the sadness I feel. Fly high my beautiful friend and give my mom and grannie lots of hugs and kisses for me.

Charissa that was really sweet, true and I. Would feel your love for her and your pain that you have inside. We just need to lean on the family and I'm turn we will help support and comfort each other since there are so many more friends and family feeling the same hurt we are. Love you.
