“ I was Nathaly teacher at Head Start. My heart goes out to her and her siblings. Nidia was my favorite parent. Anything she could do for the class she did. She love her children and wanted the best for them. I fell in love with this family. I worked with Maria and I am so thankful that I got the opportunity to meet such a loving and caring person. Nidia will be missed. I pray that God will give you all strenght throughout the years to come. Remember Nathaly that you carry your mother with you everyday.....she's in your heart. I love you guys so much and may God bless you all.....Love, Rhonda Ross

“ I have known Nidia for over 7 years . Nidia was not only a coworker but became a true friend. I could tell her anything and she would keep things to herself . That's what true friends do. Nidia was also my trainer at Century Trucks. She taught me everything I know. She honestly wrote the Century manual on everything to do. One very smart and patient woman. She is beautiful inside and out. I miss her so much! My heart goes out to her family and her 3 beautiful children. You are in my thoughts and prayers ! May you Rest In Peace my sweet friend !
