“ Always enjoyed Conversations with Norman at some of the events we work together for Jack Boles parking
He had much wisdom about health and about the Bible. I got introduced to essential oils by David and signed up under Norman. I have continued using the essential oils to this day with some miraculous results so I'm very thankful for that connection as well. I know he will be rewarded much by the Lord for his faithfulness and kindness to all that knew him! Well done you good and faithful servant! Amen!
