“ Prayers for Ms. Paula Randall and Deep condolences to the family. This prayer for the departed is in her memory:

"O Lord, O Thou Whose mercy hath encompassed all, Whose forgiveness is transcendent, Whose bounty is sublime, Whose pardon and generosity are all-embracing, and the lights of Whose forgiveness are diffused throughout the world! O Lord of Glory! I entreat Thee, fervently and tearfully, to cast upon Thy handmaiden who hath ascended unto Thee the glances of the eye of Thy mercy. Robe her in the mantle of Thy grace, bright with the ornaments of the celestial Paradise, and, sheltering her beneath the tree of Thy oneness, illumine her face with the lights of Thy mercy and compassion.

Bestow upon Thy heavenly handmaiden, O God, the holy fragrances born of the spirit of Thy forgiveness. Cause her to dwell in a blissful abode, heal her griefs with the balm of Thy reunion, and, in accordance with Thy will, grant her admission to Thy holy Paradise. Let the angels of Thy loving-kindness descend successively upon her, and shelter her beneath Thy blessed Tree. Thou art, verily, the Ever-Forgiving, the Most Generous, the All-Bountiful."

“ We were more than fellow Lions at Carrollton Evening Lions Club, we were personal friends. We attended many Lions events together, both in town and out of town. On a personal level I also helped you with your Mother, Beverly when she was alive. I stayed with her when you traveled for Lions. I sat with you at the hospital when she suddenly passed. We went to movies together, plays, concerts, even at the casinos nearby. You loved to eat out. We went to concerts, most recently Kenny Rogers' last public appearance when he was inducted into the Texas Country Music Hall of Fame. We traveled to New York City for Thanksgiving in 2016 staying on 7th Avenue by Times Square. We planned on traveling more when you retired next year. I fussed at you from a space of love and caring about taking better care of yourself. Unfortunately it was always tomorrow on your priorities. You worked long hours for Mannatech and numerous hours for Lions Club. Those were your priorities. You were loved and will be missed by many, especially leaving a hole in my heart personally.

“ Although I did not work in the same department as Paula I saw her nearly every day at work and always enjoyed saying hello. She was a very nice lady and a pleasure to see at Mannatech. I will really miss her at the office and at our company events.

I am blessed by learning of her compassion for people and her commitment to helping those in need. She has been an inspiration for others to spread such light and love in this world. May God bless family and friends in this time of sorrow but fill their hearts with the joy of knowing that Paula's caring heart will continue through those she touched and changed forever. Thank you Paula.
