“ I remember when my aunt would pick me up and take me to her house for the weekend. On the way we would laugh and, just simply talk about stuff, which was my absolute favorite part. I also remember me falling asleep and her saying "You were suppose to keep me from falling asleep" I probably doesn't sound like much, but it ment so much to me!

Me and my sister was the first grandkids to have a nickname for her. I love when she stop me at the door and tell me to get back in the house, iron my shirts. “ I remember when she use to always say that I was thick in the waist just like her. Or she would make dinner for me and my brother Jayden no matter how many nights we would stay there every night she would. Or always gave us a chocolate bar and a walmart card for Christmas! But she never forget the chocolate bar!
