“ *Ray will remain in our hearts forever here in Montana. I was a "new" friend to Ray. I came to know him through Sherry and Don Platek ... a true gift. Our time together was brief, but we made good use of this time by taking in all our little town had to offer. We laughed talked and became great friends. He spoke so often of his love for his wonderful family.  
My sincere sympathy... Mary Selland Livingston Montana*
