

Rebecca Louise Breaux

August 17, 1955 - May 21, 2013

Rebecca "Becky" Louise Phillips Breaux, 57, of Arlington, TX., died on Tuesday, May 21, 2013 in Arlington from injuries of an automobile-pedestrian accident.

Becky was born on August 17, 1955, the son of Billy Mack Phillips and the late Frankie Louise Tull Phillips. She was raised in Arlington where she attended schools, graduating from Sam Houston High School.

After her graduation, she would work for the City of Arlington for 5 years where employed in the City Secretary's Office. She would spend the next 25 years working for ASC Industries where she was active in outside sales.

Becky was always strong in her Christian faith and was a believer in Christ. She attributed her sunny disposition to the joy of Jesus. Always outgoing, her smile was bright and she was known for her willingness for sharing. Even in the difficult times of her life, she was willing to give her last penny to someone in need.

“ *Becky, I am truly grateful that you grazed my life line with your presence!! You were an amazing woman and you will be missed truly and whole heartedly! You were a light for people in there darkest days, you filled cup after cup with joy and blessings, you shared your last penny, and you always remembered God was your crutch in moments of weakness!! I wish I could have spent more time with you. You were wise even in your cloudiest of days! You touched each person you met with your smile but you also tried to steer and protect those that needed it the most, even though you couldn't follow your own advise! Becky you enjoy your new home in the country with all the fishing and dancing your heart desires! Smile your brilliant smile, walk with God and may you find the peace you so longed for!!!! Becky, I love you and you will always have a special place in my heart. You touched my life in ways that you will never know because I was not given the chance to tell you! Rest in peace my friend! Shawn "Sunshine" your neighbor. My heart goes out to your family and loved ones, may God help them find the peace and understanding, may he hold them in his loving embrace.*

“ I love Becky so much. Her smile and laughter will be greatly missed. I am mostly going to miss her "tell it like it is" personality and her crazy personality. She was and will forever be a special part of my life. May God bless all of your loved ones with peace, strength, and comfort.
