“ My name is Doris Gullede. I met and worked with Regina at Kelly-Moore Paint Co. After we left the company, we remained in touch through the years. Occasionally we spoke by phone, and our conversations always included God and family. Later we became Facebook friends. She shared some great recipes with me hand written and mailed to me. I will always cherish them. She was a wonderful woman who loved her husband and children fiercely. I was shocked to see the news of her passing. I offer my sincerest condolences to her family. She will be missed. You are all in my prayers. May God comfort you all through this time of grief.

We love you sister! We do not understand why our Lord called you home so early. However, we know you must be rejoicing in awe of God's beauty there in Heaven, getting to see family and friends that have passed on. We applaud the respectful and moral children you and Juan have raised. We pray you will watch over and guard each of us in the years to come. Until we see you again!!!!
