“ I had the pleasure of working with Richard at GPPD from 1973 to 1978. I worked the east end districts in my rookie days and Richard was a great mentor at work and pretty a good bowler in our bowling league. Richard always had a smile on his face and easy to talk to. Denver Carrington, Sgt. McClaskey, Jim Estes, Gaylord Hayes, Don Ingle all were on our shift and they made it a great and fun place to be POLICE. He will be missed by all and prayers for a hedge of protection for his family at this time. Until we see him again, GOD bless the family and the GPPD families.
