

Richard "Dick" James Corey

November 8, 1945 - May 2, 2020

My Dad was Amazing...to us.

Memorial Service: 11 a.m. Saturday, June 13, 2020 at Emmanuel Pentecostal Church, 1200 Poplar Dr, Mesquite, TX 75149.

Richard "Dick" James Corey (November 1945 - May 2020) was born in San Francisco, but called Easton, Maine his home for most of his childhood and young adult life, until he relocated his family to North Texas in 1981. He attended Easton High School, and studied mechanical engineering at Northern Maine Vocational Technical Institute. He met the love of his life - Janet Fitzherbert in 1967, married her the following year on a cold November day. He was "Daddy" to two girls and "Papa" to two grandchildren, which he adored. He loved God, his family, his church, classic cars, camping, and a little kitty he affectionately called "Miss Kitty".

When I think of an adjective to describe Daddy, the only one that makes sense is "amazing". He could fix anything mechanical. He was quick-witted and very funny; and he knew minutiae about practically every American made car there was. He was also the best kind of friend you could ever want, loyal.

My dad was a loving husband, father, and "Papa". He loved and cherished my mom for over 50 years, for better or worse, in want and wealth, and in the end

- through health and sickness. He would find little ways to show her how much she meant to him, on a regular basis. He would hide the “kissing bears” all over the house and leave the sweetest love notes for my mom to find in the coffee cabinet. He loved to make her a cup of tea to go with her brownies, when she was too busy to stop for a snack. He also loved to make us laugh - mostly during dinner; and when he had us laughing hard enough he would out-laugh us to make us laugh even harder. For my sister and I, he would listen when we needed him to, and offer advice when we asked for it (and sometimes when we didn't). Daddy also taught us how to camp and he kept our cars running smoothly. He made sure we all knew he loved us, through the little things he did. It was his love language.

He made the biggest and best decision of his life in 1981 when he gave his life to the Lord Jesus Christ in a little church in Irving, Texas. He loved God and tried to lead his family in the best way he knew how. He had a passion for the work of God, especially children and youth ministry, as well as foreign missions. Daddy served as an usher in the church for the better part of 30 years. He always had a smile for whomever he would greet - members and visitors, alike.

There is no way to tell you just how much he meant to all of us who are left. He wasn't perfect for sure, but he was perfect for us. He was the counterweight that kept us balanced.

He is survived by his wife - Jan, his two daughters - Jaime Corey (Mabank, Texas) and Jennifer Myers (St. Clair Shores, Michigan) and son-in-law - Titus Myers, two grandchildren - Titus Myers II and Kaitlynn Myers; one brother - Michael Corey (Easton, Maine) and sister-in-law - Donna Corey; as well as a number of cousins, aunts and uncles.

“ *Our fondest memories of Dick were when he and Jan volunteered to babysit our two young children so, we could have a date night. Our children loved going over to there house. It was always a fun and special time for Kyle and Kelsey. Also, Dick's love for his own family and love for church was evident. He was a loyal friend and someone you could depend on if you needed assistance with anything. Heaven got a really good man! Prayers and love to the family.*

“ This was a good man! Friendly, kind, funny and smart... a lover of God, family and others, he left us much too soon. I considered him a dear friend, the kind of friend one could call on in the middle of the night and know he would come. I'm saddened that his dear wife, daughters, grandkids and family will miss his sweet presence. Thank God, he left lots of precious memories. When we remember him, we'll be so very thankful our paths crossed, and because of his faith, we'll anticipate a glad reunion day! -Jim Millsap

“ I do remember Richard Cory, we always called Him Dick Cory..We were very close classmates when we were in school in Easton, Maine. I think we only had one thing on our mind and that was “CARS”I don't remember ever talking about anything else...not about sports, about school, not about movies..not even about girls.. It was always about cars...And it didn't matter what it was about as long as it was about a car..it could've been motors, transmissions, rear axles,....or even how you put your hands on the steering wheel.. A 2 o'clock position a 10 o'clock position...whatever we want to talk about.. but it had to be about a car...Dick Cory came to visit me many years ago...Then I wondered????? Did he come and visit me or did he come to look at cars...well we did both and Had a great visit.. Yes...I remember Dick Cory.. my name is Larry Scott ...and I'll never forget the great times and great conversations we had.

“ Janet, my heart goes out to you with sympathy and compassion as you say goodbye to your devoted husband and friend. Sandra sent me the prayer messages you posted during Dick's illness. We all prayed for healing and for grace as you walked through this "valley of the shadow" and we all believed for the best. In the end, we have to accept what God deemed best even though we lack understanding! I remember one Sunday, about four years ago in Perth-Andover at church you approached me after the service and wanted to say hello. I hadn't seen you in years and for some reason, our paths crossed that day. When I received the message about your husband being diagnosed with COVID19 it made this disease more real....it was not a hoax! I asked others to join us in prayer and now we will continue to ask the Lord to be very near and to bring comfort and consolation to you and your dear family! May the pathway to heaven be brighter and the journey more real as you walk hand and hand with Jesus!
Love and prayers, Sheila Churchill.
