“ Richey,

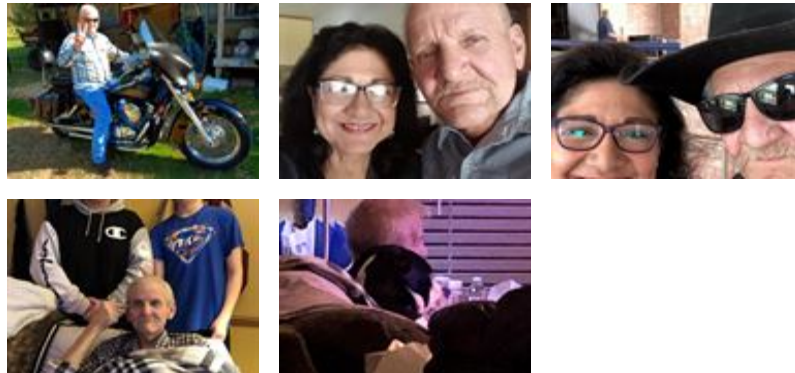

We have so many memories of our time together. Thanks for giving us so many great years with you at Central Roofing. You had an incredible work ethic and boy could you always find the best "hole in the wall" places to eat at no matter what town the job site was in. You made it know how much you cared about us and our kiddos! You were a gift giving, food loving, animal loving, family loving, and god loving man that will be missed. We love you Sponge Bob! May you rest now and watch over Sylvia and the kids.

*With love,
Chad, Tammy, Lexy and Chris Walker
& Team Central Roofing*
