“ Bobby came over one day and we were patching a little hole in our pool...Bobby was teaching Joe how to do a patch...well it didn't work out so well Bobby burned a big hole in the pool! He felt so bad I was like it's ok neighbor don't worry about it...Joe said it's only a pool we don't care thanks for trying...I'll be darn if Bobby and Lois came and made us take money for a new pool we tried not to take it but those 2 beautiful souls are rare to come by and it was a honor to be their neighbor no replacing them at all. Bobby is with God now
