October 27, 1981 - February 7, 2023

Roberto "Bo" Garza II, 41, entered the gates of heaven on Tuesday, February 7, 2023.

Roberto was born on October 27, 1981, in Calallen, Texas. To know Bo meant you always had a friend to count on. He would go out of his way to bring a smile to everyone's face. His love was unconditional for his family and friends. He was known for being the biggest fan for the Jacksonville Jaguars and the Houston Astros, and he would try his hardest to convert you to become a fan as well!

As we celebrate the life of Bo, we remember all the great memories and talents he had throughout his entire life, such as being a great provider for his family, video gamer, son, brother, brother-in-law, and friend. On February the 7th, the Jaguars and Astros biggest fan entered the gates of heaven, and for which we will celebrate his everlasting life.

He has left a legacy with his children. He was a devoted husband, father, uncle, brother and son that will be dearly missed. He has left many memories to his children and many family members.

“ I had the pleasure of training Roberto to be a Hostler, at Frito-Lay in Irving Texas. After his training, Roberto did his job well. I was fortunate enough to play an important role in his work life. I thank God for blessing me with that opportunity. I am proud of you my friend! Rest in peace.

“ I remember when we had celebrations with the family and I would always ask for Bo. Because the family was not complete unless Bo showed up. I loved having conversations with Bo because he would never judge me. He would keep it real and respectful at the same time. We were so glad when we heard that the angels came and took you to the throne of God. Bo, save a place for us!

“ I am going to really miss you my big brother Bog’z. You had such a kind heart and always made my laugh. You are the reason that I am such a sports fan from football to baseball. You loved sports, watching and talking about them. I remember one of your early favorite baseball players was Ken Griffey Jr. who was a lefty just like the both of us. So he became my favorite player.

You always let me follow you along and play football or baseball outside, and didn’t get annoyed by my tagging along. Thanks brother for your love and kindness to me. I am going to miss you more than you can even know my big bro.

“ Thank you Bog’z for being my baby brother. You were such a great uncle. You would sing to Lexi “ Look at my Lexi she’s a cutie a cutie pie”. We laughed together, we would drive each other crazy, most of all we loved each other. I am going to miss hearing you call me “chicha”. We will reunite one day in heaven so we can play basketball like we did when we were kids.

“ My brother Bo, man I am going to miss being able to talk to you about sports, games and life altogether. You were the one to inspire me to be better everyday and to look at life in laughter. I love you my brother and I already miss you more then I ever have. Until we see each other again Bogz.

I remove everyone we would get together for the holidays or celebrations, I would always ask for Bo. If Bo didn't show up, the family was not complete. Bo was a big part of the family. I enjoyed conversation with him because I knew he never judged me. He made me feel comfortable talking to him. We are so happy he made it into heaven on angels wings. Save a place for us Bo!

This is the most difficult thing I have to do as your mother, to let you go I will miss you so much. I thank God he allowed me to be with you for 41years. Will miss you saying mom I can do this , I got this, you were a strong man determined to make it on your own. Always making jokes . You rest now in the arms of Jesus . When we are called we will be with you and will be rejoicing in heaven with Jesus. Love you my baby boy Bo .
