“ I just came across this today. Eddie and Dale, I am so sorry for the loss of your wonderful mother.

I have thought of Rosie so often through the years. She and Mac lived down the block from our family on NE 35th. How often we would play with Dale and Gale as children! Rosie was such a precious lady. She loved all the neighbor children.

My mother recounts the story of when my siblings and I were very small. She received a phone call one night and all four of us somehow escaped after bedtime and gone down to play with Dale and Gale. Thank God that in the 1960s we all had loving neighbors like Rosie who simply took us in, called our parents and, probably, gave us a cookie while we waited.

RIP, Rosie.

“ My Aunt Rosie was my second mom I spent as much time as possible at her house growing up all (summer and Holidays) she was very special to me. I have so many special memories of her that I will always cherish. My children Tiffany and Hayley adored her. I am so glad they got to grow up with her as a part of there life. Hayley always called her Auntie Granny. My heart hurts for my family but it bursts with joy that she is free of pain and has her sound mind again. You fly high Aunt Rosie and tell everyone that we love them and will see them all again someday you are in my heart forever I Love You

“ I will always remember all the fun times at the lake. She always had funny stories to tell. Of it will always be special to know that I was always told how much that I look like her. Was blessed to have her in my life.
