“ *Growing up, I remember my Tio Ruben (affectionately aka Tio Opi) as a nice, quiet, peaceful and just a down to earth kind of uncle. I never once saw him upset. We will miss him dearly. Although his family is left heartbroken without him, I feel comfort to know he has been reunited with his father, mother, brothers and sister.*  
*I wish I could be with the family at this difficult time, but please know that all of you are in my thoughts as you grieve.*  
*All my love,*
