Tribute Wall

“ Merry Christmas to my baby Sabrina that should be here opening gifts but isn't.
You should be here today. In footed pajamas.
Surrounded by torn paper and noise.
Making this morning feel complete.
Instead, you are carried quietly. In my chest.
In the way I pause a little longer today.
In the love that never found a place to land.
I think about you more on days like this.
Who you would've looked like.
Where your stocking would be.
How different this room would be.
Merry Christmas, sweet baby. Mommy loves you

“ *HAPPY BIRTHDAY IN HEAVEN SABRINA!!
Today you would have turned 8 years old.
You should still be here celebrating with us
but instead you now celebrate in heaven.
How I miss you and days like this are
extremely hard for me. But I will always celebrate your birthday here
on earth until I can celebrate it in heaven with you baby. Mommy
loves you with all her heart ❤️

I sit with a small cake on the table but Sabrina is not here to blow out the candles. My heart is heavy and my soul is tired. I knew Sabrina since she was an embryo, I watched as the doctor transferred her into my body. I loved her from the beginning and I love her still. “ There’s a a trick-or-treater missing from your doorstep this Halloween💔

Our family rings your bell, our kids in tow, all cute and adorable, and you say so. And just before you close the door, you catch a flicker of emotion on my face, but I cover with a smile, quickly ducking my head as I turn away from your gaze.

*It was a moment long enough to give you pause, but not long enough for you to understand why.
But I ache to tell you why:*

There should have been another, you see.

A sheep or a firefighter. A raggedy-Ann, or a mermaid. A dinosaur or princess. A witch. A goblin ...

A ghost.

A ghost of what could have been, what should have been, what we all wanted to have been. The deep desire in our hearts, the love that knows no bounds, the child we had for too short a time.

*There is a trick-or-treater missing from your doorstep today. And I’d like to take just a minute and introduce you to that child ...
The one we didn’t get to keep.*

First dates that will never happen....
A spouse and grandbabies we won't meet....
Watching the grey come into your hair as you age....

“ Happy Birthday baby. Mommy loves you and misses you so much. You would have been 1 year old today! I was so proud of you, you were a wonderful baby, so perfect. I remember that I was always tired and sleepy because every time you fell asleep I wouldn't sleep just so I could look at you and admire how beautiful you were. I miss how you would get angry when I tried to carry you like a little newborn you always wanted to be sitting up looking around. You used to love your bath time, and loved when I brushed your little hair. Our whole life changed because of someone elses negligence. I'm so sorry I couldn't save you baby. Everything happened so fast.... I'm so sorry...How I wish you were here so I could kiss you and hug you baby. HAPPY BIRTHDAY SABRINA MOMMY LOVES YOU
