“ *I will love and miss you always Sister. This loss was harder for me than the rest, maybe because she was my last sibling left. We spent alot of time together , she was there for me thru thick and thin. I had the pleasure of working for her 3 years at Metroplex Nursing and Rehab. The love her residents and staff had for her was amazing. She always made time for them when they stopped by her office. We also spent time after work together, these were fun and memorable times. She taught me to play shuffle board, and trust me when itell you she was one of the best. It was heart breaking when she had her stroke, especially knowing what an independent person she was all her life. But she kept on smiling to the end. Glad you waited to see me one last time. Forever in my heart.*

*Love,
Sheila*

“ 1 file added to the tribute wall

you dearly,
I couldn't make
you stay.
A golden heart
stopped beating,
Hard working
hands at rest.
God broke my
heart to prove to
me he only takes
the best.
