

Santiago Delgado

December 21, 2025 - March 5, 2026

With broken hearts and deep sorrow, we announce the passing of our precious baby boy, Santiago Gael Delgado who was called home to heaven at just two months old. Though his time here on earth was far too short, Santiago filled his family's lives with a love so pure and beautiful that it will live on forever in their hearts.

Santiago was the beloved son of Kristal and Federico Delgado, who cherished every moment they were blessed to spend with their sweet baby boy. From the day he was born, he brought light, joy, and a love beyond words to his family. His tiny hands, peaceful presence, and the sound of his little cries and coos will forever be remembered and treasured.

He was also the deeply loved little brother of Juan and Kimberly, who were so proud to welcome him into their lives. Though their time with him was brief, the bond they share with their baby brother will remain in their hearts forever.

While the pain of losing Santiago is unimaginable, his family finds comfort in their faith knowing he is now in the loving arms of God. He is not alone in heaven, as he is reunited with his great grandmother, Mamie, who we know welcomed him with open arms and endless love.

Santiago's life, though short, was filled with meaning. In just two months, he

taught those around him the depth of unconditional love and the preciousness of every moment. He will always be remembered as a beautiful blessing whose memory will live on in the hearts of all who loved him.

He leaves behind his loving parents, Kristal and Federico Delgado, his devoted big brother Juan, his loving big sister Kimberly, and many family members who will forever carry his memory in their hearts.

Though our arms can no longer hold him, our hearts will hold him forever. Until the day we are reunited in heaven, our sweet Santiago will remain our little angel, watching over us and wrapped in God's eternal love.

Some people only dream of angels... Kristal and Federico were blessed to hold one in their arms for two beautiful months. ☐
