He taught me so much and now I have to take all of these memories and hold on to them forever. I will always love you daddy. I know you are looking down on me every day. I will love you forever pig nose and I wish it didn't end this way...

From Laura: knowing with great faith that he wrapped his arms around you on November 21, 2017, You always said you wouldn't let me go first...now I look forward to seeing you again one day. I love you with all my heart, and remember that nobody loves you like Laura Lee! He told me many times to listen to George Jones, "He stopped loving her Today" because you would never stop loving me...I will cherish that in my heart always.

“ *Best friend, love of my life....how do I say goodbye? Your mom cried at our wedding. I asked her why she was crying, and she said it was because I was marrying an asshole.*

Oh how truly correct she was. You were the best, most wonderful asshole our whole life together. and others who know you will understand how fondly I smile and say those words.

Face it sweetheart. Everybody loves Shannon! Thank you for the dozens of red roses you sent to me in honor of our 25th anniversary, September 26, 2017. It was an honor to be your wife, best friend, mother of your children, and share this life with you. I will praise God every day that you accepted him into your heart.

Love you,

Laura
