“ I am so thankful that I had the privilege to spend some time with my Aunt Shirley before she was taken from this earth. While in the hospital, I got the opportunity to share stories about my family with her and make her laugh. In return, she shared family stories and cooking recipes with me. She was a great cook! Your hugs, laughs, smiles and advice will be missed. Rest in peace and with God! Praying for your family. Glenda

“ I am blessed beyond words and honored to have walked the last 49 days of life with my Aunt Shirley. Many hugs, deep discussions about life & God, long uncertain days, lots of laughs, stories about family, tears, and prayer that absolutely changed her life. Her smile will forever be etched in my mind when I would walk in the hospital room to start another day--together we could face anything! My life has been changed and my heart has a smile .....Only an Aunt can give hugs like a Mother!!!

“ So thankful we had the chance to spend special time with Aunt Shirley this summer. So sad to lose her much too soon. Thankful for God goodness and the hope we hold to that the separation is but for a moment. Praying for all the family.
