“ *Condolences to my aunt Minnie and my cousins that I love very much . The memory I have of my uncle is when they would come to our house on a Saturday night and he and my aunt and my dad and mom dance in our living room . I use to like watching him dance because he had some great dancing moves . They would also get us to dance . I guess that why I like to dance because of the memory they gave me on those Saturday night . Rest in peace tio . love you . your nephew Lorenzo*
