I had a dream about Steve last night. It has happened several times in the past 6 months. I had no idea that he had passed away. I was just doing a search for him so that I could see how he was doing because I was getting concerned that he was on my mind. I was afraid he wasn't doing well or something. Wow! What a shock! I just sat here and cried. I have never forgotten him or his family and will always love that smile! Frank, if you could contact me and let me know how everyone is doing, I would appreciate it. I am on Facebook Messenger or Instagram as Susan Root Merritt.
