“ Ms. Sylvia: Goodnight, sleep tight, until you see your loved one again. I remember you as a sweet young girl, who blossomed into a beautiful young lady. You lived right down the street from me. You played with my children BriAna, LeBrea, BriTanya and Chris. Your friends across the street, Natalie and Jake. We all will miss you very much, and our prayers are with you. Rest in peace sweet little Angel, God will hold you in His arms.

Silvers! I will always remember you as that sweet girl with a big smile from winfield st./cloer dr. Thanks for all the memories and for being my friend. You were always so sweet and easy to forgive people. I adore the love you had for your babies. You've gotten your wings now so fly high and watch over those precious babies and those close to you. My prayers are with your family and children. Rest in paradise sweet Angel. Love Bre ?
