“ There are so many fun memories---swimming at your grandparents house, teaching me to swim/dive and oh yes you taught me the famous Electric Slide. We would dance and sing to the music of Elton John and the Eagles. You were a beautiful person inside and out and I'm so grateful to have had you as a friend.

Farewell my dear friend--fly slowly towards the angels and remember that I loved you for you remain forever in my heart.

My heartfelt condolences go out to Teresa's family. My thoughts and prayers are with at this difficult time.

*Much love,
