

Terry Gale Strickland

March 19, 2013 - August 16, 2013

Terry Strickland left us to go be with Jesus August 16, 2013.

He was born March 19, 1953 in Midland, Texas.

Terry lived with passion. He was passionate about his family and friends. If you were fortunate enough to know him, then you know firsthand his absolute giving and compassionate heart. So many times his own needs were set aside to bring joy to others. But that's the unique quality about him that made him so special; his joy was in seeing others experience true happiness. We are so blessed to have such an amazing man show us daily unconditional love and be our biggest companion.

As he honored us by never giving up on us even in the worst of times, we want to honor him with a memorial befitting such a giving man that he was. In lieu of flowers, please consider giving a donation to help us honor him with the memorial he deserves. We will never be able to repay the many unspoken sacrifices he made for us but we would like to allow the many people who's lives he touched to honor his memory. We already miss him dearly!

Those who will miss him most deeply include his parents, Garland and Dorothy Enox; adoring children, Tracy Strickland, Amy Guerra and her husband Primivito III, Kimberly Britten, Dakota Strickland; 6 grandchildren; 2

great-grandchildren and his siblings; Toni Smith, Dewayne Enox, Karen Riff, Gayla Strickland, Jodi Scott; also by several nieces and nephews.

Memorial service will be 2 p.m. Wednesday, August 21, 2013 at Guerrero-Dean Funeral Home, 500 East Main Street, Grand Prairie, Texas, 75050. A private committal service will follow at a later date.

“ I only learned today that you had passed away. I guess the years get by and we all have our things to do. I wished I could have seen you one more time. My thoughts are with your parents and family. I looked and looked for a photo of us at Grandma's house back when we were kids, but could not find one. The day you died was the second year since my father died (16 Aug 2011). So I am going to post a photo of me with my father and Grandpa. I hope the photo brings a smile to your Mom and Dad.

Remembering the days when we were in High School and you had your long hair!! Oh so long ago.

“ *My papa was the most kind hearted individual I had ever known. I have nothing but wonderful memories left of him and I will cherish them everyday! I'm so happy my children had the privilege to meet him and be a part of his life. We will forever honor him in our hearts. Papa you are already missed so very much and we will just miss you more and more as the days go by. Love you to heaven and back sweet man! Until we meet again...*

“ *I remember my Papa Terry as the loving and big hearted man he was. My memory of him is every time I went to his house he was always flipping burgers on the grill. The first thing he would say is, "Well hi there", and he would give us a big hug! I love and miss you Papa. You will be in my heart every single day. -Raygan*
